

Assignack Photo Gallery Policy

The Assignack Photo Gallery contains imagery that has been either taken internally or generously provided by various individuals and organizations (some credited and some not). Assignack Gallery images are generally not copyrighted; however, they may have been copyrighted by the original photographer. Gallery imagery may be used for educational or informational purposes, including photo collections, textbooks, public exhibits and Internet Web pages only with prior written permission from the Township of Assignack in association with the original photographer.

If Assignack material is to be used for commercial purposes, especially including advertisements, it must not explicitly or implicitly convey Assignack's endorsement of commercial goods or services and written permission outlining conditions (if any) must first be obtained from the Township of Assignack in association with the original photographer. If an Assignack image includes an identifiable person, using the image for commercial purposes may infringe that person's right of privacy or publicity and permission should be obtained from the person.

Local photographs in .JPG format for inclusion to the Assignack Photo Gallery is encouraged and would be graciously received by the Township of Assignack, however, image uploads will be solely at the discretion of the Township. All photograph submissions become the property of the Township of Assignack and may be subject to conditions (if any) established between the Township and the contributor. Any questions regarding application of any Assignack image can be directed to:
