THAT we adjourn until the next regular meeting or call of the Chair. CARRIED

Paul Moffatt, MAYOR	Jeremy Rody, CLERK

6:05 p.m.

These Minutes have been circulated but are not considered Official until approved by Council.

ASSIGINACK PUBLIC LIBRARY BOARD MEETING

THURSDAY SEPTEMBER 25, 2017

The meeting was called to order by the chair, in the library at 3:10

Present: Brenda, Irma, Jane, Catherine, Les and Deb (at 3:40), and guest Lori Case

Absent: Heather

Note: Alison Greenhill has moved to Southern Ontario and consequently she has resigned from the board. Her work with our Library Board has been greatly appreciated, she will be missed.

32-17 Catherine, Jane

That the minutes of the June 26, 2017 meeting be approved as presented.....cd

33-17 Catherine, Jane

That the financial reports from June, July and August (attached) be approved as presented....cd

Librarian's Report for June, July and August (attached). The Library was very busy during the summer months. The Maker Space has been well used. Membership continues to increase. Deb will give a report on the OLA Conference, held in Sudbury to-day, at our next meeting.

Old Business

The Read Canada Contest was completed, the winner of the picnic table donated by Wes and Annette Virtanen of the Cedar Chalet was won by Marg Forsyth. Participation was excellent. Children from the Summer Recreation Program enjoyed events at the library. Potatoes were harvested and about 100 pounds were sent to the Food Bank in Mindemoya. Thanks Irma.

New Business

Photography workshops were held in the Maker Space in September on Tuesdays and Thursdays. It has been suggested that access to our VR equipment will be available on Tuesdays and access to the Green Screen will be available on Thursdays. Robotics workshops will take place in the Maker Space on 3 Wednesday evenings in October.

Coming Events

De Frase O

Public Library Week will be October 15-21 this year. Deb will invite the Assiginack Public School children to attend special activities at the Library during that week. Library Board members will meet on Monday October 4 at 4 to decorate the front of the Library for Harvest Glory Days.

The next Library Board Meeting will be on November 6 at 3:00 in the Library.

34-17 The meeting was adjourned on a motion by Jane at 3:45.

Dobbs) a six week leave of absence from February 1st to March 15th 2018 based on the following conditions: 1) that Reno Sanatarossa agrees to function as interim airport manager for the six week period; 2) that Reno Sanatarossa be paid as additional two dollars per hour for the time he is acting as airport interim airport manager; 3) that G. Dobbs be paid ten hours per week to be available "on call" for the six week period.

Motion 2017 11 56

Moved by P. Skippen

Second by B. Case

Resolved that the Commission meeting of November 6. does now adjourn.

Carried

MINUTES COMMUNITY POLICING ADVISORY COMMITTEE MEETING 13 SEPTEMBER 2017 MINDEMOYA COUNCIL CHAMBERS 7:00 P.M.

PRESENT:

Sgt. Mike CORRIGAN

Dale SCOTT

Betty NOBLE

Hugh MOGGY

Wayne BAILEY

Brian PARKER

Minutes Taken by:

Carol FERGUSON

CALL MEETING TO ORDER

In Bruce WOOD's absence, Dale SCOTT welcomed everyone to the meeting. Meeting called to order at 7:10 p.m.

ADOPTION OF AGENDA

Agenda for meeting was provided to all present. Dale SCOTT asked if there were any additions or any discussion required.

Moved by Hugh MOGGY and seconded by Wayne BAILEY that the agenda be adopted. CARRIED.

ADOPTION OF MINUTES

Minutes of the July 26, 2017 meeting have been circulated and members were asked if there are any errors or omissions. Dale asked if anyone had anything they wanted to discuss in relation to the minutes. There was no discussion.

Moved by Wayne BAILEY and seconded by Brian PARKER that the minutes be adopted. CARRIED.

NEW BUSINESS

Dale SCOTT mentioned that he has been receiving a number of phone calls from local citizens and from members of the OPP who are concerned about the amalgamation of Espanola and Manitoulin.

Sgt. CORRIGAN advised that amalgamation with Espanola took place April 4, 2017. Dale indicated that concerned persons are worried about response times to calls for service. Sgt. CORRIGAN indicated that officers have patrol zones. Officers don't only stay in their detachment area they attend calls anywhere on the island and sometimes now they may need to attend Espanola area and Espanola members will naturally come this way as well.

Hugh MOGGY indicated that there is an MMA meeting on September 28 being held in Manitowaning. He mentioned that a person from OPP North East Region was going to be in attendance at this meeting. Hugh also indicated that the representative from North East Region who they were speaking to stated that the communities will be consulted in relation to the possible closures of the detachments and the new build.

Sgt. CORRIGAN mentioned that Manitoulin now has 22 hrs. of coverage versus the past there was only 20hrs. of coverage. Officers are working 12 hr. shifts with an overlap from 5 p.m. to 7 p.m.

Hugh MOGGY mentioned that he has noticed an increase in police presence in the village of Manitowaning over the past few weeks.

Brian PARKER indicated that he attended a meeting where they were told that command staff were not coming to the MMA meeting. He stated that the police wanted a closed session meeting and that is not allowed so they decided they would not be attending the meeting.

Dale SCOTT feels that the people making the decisions don't know the distances between detachments on the island. The uncertainty about the possible closures of detachments is very concerning.

Comment was made that the municipalities are paying for a service and yet not being included in the decisions being made. Communities should be entitled to learn what is being planned for the island. CPAC members would like a representative from North East Region to attend and speak to the communities about the decisions that are being made.

Sgt. CORRIGAN stated that change can be difficult for everyone.

Wayne BAILEY stated that these changes are just coming this way now. Provincially these changes have already happened.

Sgt. CORRIGAN stated that there are various regions within the OPP and a number of new buildings have been erected. He cannot speak to how the new buildings impacted their communities.

Dale SCOTT stated the unknown is a concern. Ministries make decisions all the time and communities are never consulted.

Dale SCOTT mentioned members have lived very close to detachments and only took them minutes to get to work. Now if detachments are closing the members will have to travel to Little Current.

Brian PARKER stated he guesses it's no different than when hydro moved all their people to Little Current. But if everything keeps getting centralized to Little Current, what happens to the other communities?

Wayne BAILEY asked Sgt. CORRIGAN – "if Mindemoya detachment closed would you be on duty when you leave your home"? Sgt. CORRIGAN stated that he would be travelling on his own time to Little Current and not on duty until he reaches the Little Current Detachment.

Dale SCOTT asked if he could be provided with the names of Regional Command Staff personnel who may be meeting with island communities.

Sgt. CORRIGAN indicated that he would be meeting with S/Sgt. WEBB about getting better dialogue between Command Staff and the municipalities.

Sgt. CORRIGAN mentioned nothing will change in relation to the amount of police personnel, cruisers and patrol zones with a centralized building.

Wayne BAILEY asked about officers who work out of the Gore Bay detachment and have formed relationships with the locals because of residing in the community. Future members may choose not to purchase in Gore Bay because their office will be in Little Current. Sgt. CORRIGAN stated it's their personal choice where they choose to reside. The OPP cannot dictate where you live. City Police Forces, the members know their locals too. You don't have to live in a community to form relationships. Espanola OPP personnel, have very few living in the town of Espanola. They have chosen to purchase in Sudbury, Valley East etc.

Brian PARKER stated it seems ridiculous to put the detachment at one end of the island.

Betty NOBLE and Brian PARKER both said they have emergency concerns. Do all members have to go to Little Current to get a cruiser to go to a call? Sgt. CORRIGAN indicated that all members would come to Little Current to get a cruiser, their kit etc. Betty stated she doesn't feel that the island is going to get the coverage that is needed. Sgt. CORRIGAN said that between the hours of 5 p.m. and 7 p.m. there will be double the members working each day.

ROUND TABLE

Hugh MOGGY stated Assiginack is happy with the service they are receiving. Would however, like to be consulted in relation to what the plans are for the possible closures of Detachments.

Wayne BAILEY mentioned that they have been having a problem with a couple young persons causing mischief in the community. However, after looking at the Billing Summary Report it would appear that the issue is being dealt with.

Betty NOBLE indicated everything is good in Gordon/Barrie Island.

Brian PARKER says Billings has concerns about persons parking on the bridge at Bridal Veil Falls. He does recognize that people cannot see the parking signs. Brian stated that MTO has said it is the municipalities responsibility.

Sgt. CORRIGAN said he thought both the Cup and Saucer and Bridal Veil seemed much busier this year. Bridal Veil is a big draw for municipality and you wouldn't want to get too heavy handed because you could lose the tourists.

Dale SCOTT mentioned Central Manitoulin is having the same issues at the corner. Signs are bigger than the ones at Bridal Veil, however, persons are still parking in no parking zone. May have to be posted as a tow away zone. The municipality has a contract with Moore's for towing. Traffic has increased significantly and the fear is someone is going to get seriously injured at that corner.

Dale advised he spoke with Glenn McDougall and he advised a 4 way would work best at that intersection – Stop and Go.

STAFFING UPDATES

Sgt. CORRIGAN explained that when someone has been off for two years long term and is unable to return to work the position becomes vacant and it can be filled. This was the case for a position in Espanola and it has now been filled.

A/Sgt. BAKER from Espanola is transferring to North Bay Detach next week. His replacement will arrive in October.

Replacement for Cst. HART's position will hopefully be filled soon. Carole McCABE who previously worked at the Gore Bay Detachment has transferred to the Temiskaming Detachment. Gore Bay position will be advertised shortly.

Recruitment classes are happening continuously. Many retirements are forthcoming.

DATE AND TIME OF NEXT MEETING

15 November 2017, 7:00 p.m. - Mindemoya Council Chambers

Meeting adjourned by Betty NOBLE at 8:03 p.m.

[&]quot;Police, at all times, should maintain a relationship with the public that gives reality to the historic tradition that the police are the public and the public are the police; the police being only members of the public who are paid to give full-time attention to duties which are incumbent on every citizen in the interests of community welfare and existence".

Manitoulin Centennial Manor Board of Management Meeting Thursday, October 27th, 2017 "Unapproved Minutes"

Present: Paul Moffat, Pat MacDonald, Dawn Orr, Wendy Gauthier, Bill Baker, Aurel Rivet, Connie

Suite, Michelle Bond; Administrator

Regrets: Sylvie Clark; DOC, Keith Clement; Extendicare Regional Director

Guest: Chris Lethbridge; Support Services Manager

1.0 Call to order

Meeting called to order at 10:02 a.m. by Chair, Paul Moffat

2.0 Approval of Agenda

56/17 Orr/Baker

That we approve the agenda as presented

...carried

3.0 Approval of Minutes

57/17 Rivet/Gauthier

That we approve the minutes of the September 21st, 2017 board meeting.

...carried

4.0 Business Arising from Minutes

No business arising

5.0 Correspondence

No correspondence received

6.0 Letter sent to the Hon. Eric Hoskins

58/17 MacDonald/Rivet

That we make this letter available to the local press to raise awareness to this very serious issue regarding PSW shortages and the increase of agency usage in our home.

...carried

7.0 Administrators Report

We have been experiencing issues with our current Building Automation (heating and ventilation) System. The system is quickly approaching the end of its lifespan and is in critical need of upgrading/replacement.

We are awaiting a quote from Honeywell who installed the current system and has maintained it for the past 20 years. We will also be seeking two other quotes. Once the quotes are obtained and have been reviewed by the Extendicare engineer, we will determine the financial impact to the contributing municipalities

59/17 Orr/MacDonald

That we accept the Administrator's report as presented Michelle Bond.

...carried

8.0 Extendicare Report

60/17 MacDonald/Orr

That we accept the financial statements for the period ended September 30th, 2017 as presented by Michelle Bond.

...carried

9.0 Fundraising Update

The fundraising campaign for the Ceiling lifts has now reached \$48,276.45. 2017 Tree of Lights forms will be available at the BMO locations and local libraries across the island. The gold star donors who contribute \$50.00 will be listed in the local newspaper the week of December 20th, 2017.

61/17 Gauthier/Rivet

That we approve a \$1,000 budget for Wendy for advertising expenses for the 2017 Tree of Lights Campaign.

...carried

62/17 Rivet/Baker

That we approve the fundraising report as presented by Wendy Gauthier.

...carried

10.0 Meeting Date

The next regular board meeting will be held on Thursday, November 16th, 2017 at 10:00 a.m. If a special meeting is required earlier to discuss the quotes for the Automation System, the date will be determined by the Administrator.

11.0 Adjournment

63/17 Orr

That we now adjourn the meeting at 10:56 a.m.

...carried

Administrator's report

The short-term goal is to renovate and be back in the theatre offering theatre and musical performances; art and theatre workshops; summer programming; craft and arts retail space; and artist-in-residence programming. In five years the goal is to develop Burns Wharf Theatre into a stronger tourist destination that benefits Manitowaning and surrounding communities through partnerships. Manitowaning needs an anchor business/attraction that encourages tourists to spend some time in the community. The goal of Burns Wharf Theatre is to offer programming and a variety of activities that appeal to visitors and the local community. These goals can be achieved through effective partnerships with local businesses, First Nations, hotels, restaurants and other tourist operators working together to build a world class tourist destination. Burns Wharf Theatre Players commit to 12 performances each season. With a 110-seat capacity, and nearly sold-out audiences, the performances can realize up to \$24,000 for the season. Approximately, \$3000.00 is paid to the host organization and another \$7,000 is infused into the local economy for food, meals, fuel, costuming, advertising and set materials. Return of the Summer Concert Series would inject an additional \$12,000 into the theatre and local economy. Summer children/youth theatre camp will be restarted to provide performing opportunities. Successful past summer children theatre performance infused money into the local economy through fuel costs, meals and supplies. Number of jobs created: Number of jobs maintained: PROJECT COSTS AND FUNDING SOURCES Eligible costs include all incremental expenses directly related to the project and deemed reasonable and necessary for its execution PROJECT COST CATEGORY (e.g., equipment, professional services, etc.) TOTAL COSTS Construction / Capital \$538,911.00 TOTAL \$538,911.00 FUNDING SOURCE FUNDING SOURCE NAME AMOUNT CONFIRMED FedNor \$269,456.00 Applicant cash contribution Others (specify): Cultural Spaces Other Federal \$125,000.00 \ Yes No Fund Burns Wharf Other \$35,000.00 Yes ●Na Theater Player Northern Ontario Provincial \$110,455.00 ()Yes (No Heritage Fund TOTAL \$539,911.00

Have you already incurred costs or made legal commitments related to the project?

Yes (if yes, please describe) No

Burns Wharf Theatre Players paid the \$11000.00 architects fee in 2016 from donations and revenue generated from performances.

CERTIFICATION

On behalf of the Applicant, I hereby acknowledge and/or certify that:

- (a) I have authority to submit this application on behalf of the Applicant and evidence of this authority will be provided upon request.
- (b) I confirm that the Applicant is current on all obligations to the federal government; that the execution of the proposed project will not prevent the Applicant from continuing to meet these obligations and from maintaining the economic benefits anticipated by the other agreements; and that these obligations will not preclude the Applicant from fulfilling its obligations under the proposed project.
- (c) The Applicant is under no obligation or prohibition, nor is it subject to, or threatened by any actions, suits or proceedings, which could or would affect its ability to implement this proposed project.
- (d) The information provided herein is complete, true and accurate and I undertake to provide any further information that may be required for Industry Canada/FedNor to render a decision in a timely manner.
- (e) Project costs incurred by the Applicant in the absence of a signed funding agreement with Industry Canada/FedNor are incurred at the sole risk of the Applicant and, even if the project is approved for funding any such costs may not be considered eligible for Industry Canada/FedNor assistance.

FEDN001E (2016/10), Page 3 of 4 Toll Free: 1-877-333-6673 Website: http://fednor.gc.ca

- (f) Information provided to Industry Canada/FedNor will be treated in accordance with the Access to Information Act and the Privacy Act. These laws govern the use, protection and disclosure of personal, financial and technical information by federal government departments and agencies. Information provided to Industry Canada/FedNor is secured from unauthorized access.
- (g) Any former public office holder or public servant employed by the Applicant is in compliance with the provisions of the Values and Ethics Code for the Public Sector, the Policy on Conflict of Interest and Post-Employment and the Conflict of Interest Act.
- (h) The Applicant recognizes that projects listed in the <u>Regulations Designating Physical Activities</u> may require an environmental assessment under Canadian Environmental Assessment Act 2012.
- (i) The Applicant agrees to comply with official language obligations, where applicable, depending on the nature of the project and the targeted clientele.
- (j) Funding may be conditional upon Canada satisfying any Aboriginal consultation, and where required, accommodation of obligations arising from the implementation of this project.
- (k) This application does not constitute a commitment by Industry Canada/FedNor for financial assistance.

By submitting this application, I certify that Industry Canada/FedNor funding is required in order for the project to proceed, and agree that Industry Canada/FedNor may make the enquiries it deems necessary to evaluate the application.

Submitting Your Application:

You are about to submit your proposal for funding. Once your application has been received by Industry Canada/FedNor you will receive a confirmation email / letter and a file number for further reference. Please ensure you have correctly noted your contact information on this form.

Subject: hydro savings

Mr. Hobbs

Here is an article I came across online. We might find this interesting.

http://www.cbc.ca/news/canada/sudbury/green-energy-north-five-plans-1.4396240?cmp=rss

Could you please add me to the agenda to speak to council re follow up on Hydro savings and a plan. Also at that time would also like to make a refund of my fee to the TWP. From the paracord class for flowers in the planters in Sunsite and Manitowaning.

Could you please confirm this is acceptable.

Five northern communities begin work on plans to reduce energy use, costs

Green Economy North says community plans will be modelled after recent success in Wawa

By Angela Gemmill, <u>CBC News</u> Posted: Nov 10, 2017 8:08 AM ET Last Updated: Nov 10, 2017 10:13 AM ET

A handful of communities in northeastern Ontario are looking to cut their energy use, reduce greenhouse gas emissions — and save a few bucks.

Green Economy North, a business support program for environmental sustainability, will help the communities to create an energy plan.

Manager Richard Eberhardt said Blind River, Northeastern Manitoulin and the Islands, Gore Bay, Sables-Spanish Rivers and Billings Township have enrolled in the program.

Each municipality will start by figuring out the energy it uses, how they're using it and what it costs. Then, each will set energy reduction goals, or targets to work towards. The plans also include engaging local residents to do their part towards improving sustainability.

"We'll really be working with them to identify ways that they can reduce their community's energy demand, and how much resources are going out from that local community to basically pay for energy, to keep the lights on, and to do the things that people do in those towns," Eberhardt said.

Success will mean benefits for taxpayers

The plans could be as simple as making a change to the local recreation centre or arena.

"[There is] lots of cost to run an arena, so if they're not looking strategically at what they can do to reduce those costs, then taxes are higher in order to maintain a level of service."

Eberhardt said helping the planet is the focus of the program, but as energy gets more expensive, cutting costs for taxpayers is an added benefit.

"[A successful energy plan] will make it less expensive to live and work and do business in that community, because they've made those conscious choices to cut back on their energy needs," Eberhardt said.

Energy plans to be modelled after Wawa

Green Economy North is using the energy plan created by Wawa as a model of success.

"Wawa, as a small town in northeastern Ontario, has many of the challenges that these other communities that we are working with do," said Eberhardt. "[The town] saw the value early on for getting a community energy plan done."

Created last year, the Wawa plan set firm goals to reduce the total amount of electricity and the total amount of water the community was using.

"Wawa ... went forward with engagement opportunities to make those targets happen and achievable," Eberhardt says.

The only other municipality in northeastern Ontario with an energy plan is Temiskaming Shores.

Eberhardt estimates it will take several months to get each of the five communities started on their energy plans.

"The thing with community energy planning is you're not going to see the results until you've had a couple of years worth of work go by."

Township of Assiginack

Memo

To:

Mayor and Council

From:

Deb

Date:

November 8, 2017

Re:

Financial Statements for the year to date as at October 31, 2017

Please find attached the financial statements for the year to date as at October 31, 2017. As always, if you have any questions, or need further clarification, please feel free to come and see me.

Thank you,

RE: Bill 148 Resolution

From: Cathy Ryder [mailto:crvder@dnetownship.ca]

Sent: October-25-17 2:48 PM To: Undisclosed recipients: Subject: Bill 148 Resolution

Please be advised the Council of the Corporation of The Township of Drummond/North Elmsley passed the following resolution at its Council meeting of October 24, 2017:

MOVED BY: Steve Fournier SECONDED BY: George Sachs

RESOLUTION NO: 2017-125 DATE: October 24, 2107

WHEREAS changes proposed to on-call provisions in the Employment Standards Act by Bill 148 will result in exorbitant tax increases to maintain fire prevention services and on-call system for snow plowing and road maintenance in a rural municipality; and

WHEREAS many Ontario municipalities will be unable to afford these services if this change is enacted; and

WHEREAS the Association of Municipalities of Ontario has submitted a position paper to the Ontario government specifically requesting the exemption of all municipal employees who are required to be on call to provide statutorily mandated public safety services;

NOW THEREFORE BE IT RESOLVED THAT The Township of Drummond/North Elmsley requests that all municipal employees be specifically exempted from the on-call changes proposed by Bill 148; and

FURTHERMORE THAT the Township of Drummond/North Elmsley request that the government of Ontario conduct a full economic impact study of Bill 148 to study the effect of the Bill on businesses and municipalities across Ontario; and

FURTHERMORE THAT this resolution be circulated to Premier Kathleen Wynne, Minister of Labour Kevin Daniel Flynn, the Association of Municipalities of Ontario and all Ontario municipalities.

Thank you.

October 17,2017

Re:

Resolution concerning the Tenanted Farm Tax Class properties being

changed to the Residential Tax Class

Motion: 553-2017

Moved by John Smuck

Seconded by Dorothy Kelly

Whereas, MPAC conducts ongoing reviews to ensure properties are accurately assessed and corrections are made where necessary. A review of a property could be triggered from ongoing data verification, updated tenant information, sales investigations, building permits and severances which may result in changes to the valuation or classification of a property. This could include wooded acreage on a farm property;

And Whereas, MPAC recently changed the assessment classifications on properties with portions of land tenanted for farming. MPAC is responsible for assessing and classifying all properties in Ontario in accordance with the Assessment Act and regulations established by the Government of Ontario. All properties in Ontario are continuously reviewed as part of the MPAC valuation process to ensure accurate information is used in determining our assessed values and tax classifications;

And Whereas, MPAC has stated: Under the Assessment Act, all properties are classified according to their use, and Ontario Regulation 282/98 sets out how various property uses are classified. By default, farm properties are classified in the residential property class in accordance with section 3(1)2 of Ontario Regulation 282/98 of the Assessment Act. Farm properties that meet the eligibility requirements will have farmland and associated outbuildings placed in the farm property class and are taxed at up to 25% of the municipal residential tax rate. An application for inclusion in the Farm Property Class Tax Rate Program must be approved by the Ontario Ministry of Agriculture, Food and Rural Affairs (OMAFRA).

Under the Assessment Act, all properties are classified according to their use. If a portion (or portions) of a farm property is used for non-farm purposes, the portion is valued and classified according to its use. This is to ensure that the appropriate value and tax class is applied to the various uses of the property;

And Whereas, MPAC has assessed non-tillable acreage that is rented to tenants as residential. MPAC has explained that this is a correction under the Assessment Act/Ontario Regulation 282/98 with properties being assessed according to their use. They explained that it was a review of the Farm Forestry Exemption Class that prompted this action;

And Whereas, Most of these non-tillage acres cannot be built upon, or generate any revenues. However, they do provide benefit to the wider community as woodlots, wetlands, streams. Therefore taxing at the higher residential ratio appears unfair;

And Whereas, many properties have resulted in a substantial increase in property taxes due to this assessment class shift, an example being, with the tax billing increase of 572%. Tax increases to this magnitude are unacceptable. This process will force retired farmers to share crop to avoid the tax increases or it will cause land rent to increase to cover the increased taxes. That will create a burden on the property owner and the tenant farmers;

And Whereas, MPAC did not advise the municipalities of these corrections or the impact that it may have on taxation write-offs going forward, as MPAC reviews appeals on these changes;

Now Therefore, The Council of the Municipality of Morris-Turnberry hereby requests that MPAC conduct a review on the effects of the tax class shift from farm land to residential;

And that MPAC act immediately on applications for reconsideration for the 2018 tax year and where possible for the 2017 year;

And that MPAC advise the municipalities prior to any future tax class shifts or mass property assessment corrections;

And that the Province of Ontario review Regulation 282/98 under the Assessment Act, in respect to the property tax classification of non-tillage acres;

And that this resolution be circulated to Premier Kathleen Wynne, Minister of Finance, MPAC and the Association of Municipalities of Ontario and all Ontario municipalities.

Disposition Carried

Thank you

Yours truly,

Nancy Michig

Dear Mayor and Council,

It's that time of year to start getting ready for the holidays. We are very happy to let you know the 5th Annual Parade of Lights will be happening on Saturday December 9th at 6:30 pm. Line up will start on Albert St. heading towards Queen St.

This is a fun event for all who watch and participate. So please come out and enjoy all the hard work that the volunteers put into their floats.

Also during the day local businesses will be having their annual "Christmas Madness" holiday event. Deals, treats, hot drinks and draws.

Looking forward to see you all on December 9th.

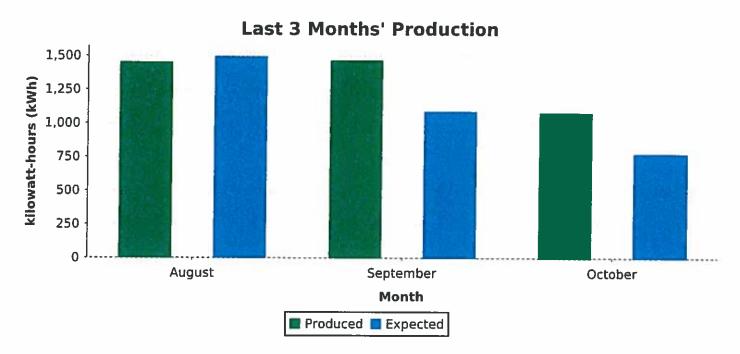

Thank you for your time.

South Bay Cottagers Association C/O Sharon Duxbury 340 Leask Bay Shores Lane Manitowaning, Ontario P0P 1N0

October 26, 2017

RECEIVED

Dear Reeve/Councillors:

Thank you for your response dated January 26, 2017 in regards to our enquiry with respect to winter maintenance on the subdivision road known as Leask Bay Shores Lane. We have spent the summer months discussing with many of our residents, both permanent and seasonal.

As you are aware, over the past 10 years our community has changed dramatically. It has gone from purely seasonal to now permanent home to approximately 25% of active residents. We see this trend continuing and as our community evolves, we see a definite need to address a long term solution for winter snow plowing.

Here are some additional facts for consideration:

- -Our subdivision now has 40+ active residents.
- -Out of this 40+, 9 are year round residents.
- -Families living year round have school age children with need to catch a school bus
- -We have permanent households that need to have a dependable road in order to travel to their place of employment
- -Our subdivision contributes substantial tax dollars to the Assiginack Municipality.

Our discussion over the summer indicates that our lakeshore residents support discussion with township and recommend we further explore the possibility of snow plowing.

Each year our lakeshore residents contribute to maintenance and improvement of our road to ensure we have a good road to access our properties. Currently our snow plowing equipment is nearing the end of it's functional life time and we DESPERATELY need some help with snow plowing going forward.

Further to discussion with Alton Hobbs, earlier this year, and letter received from council outlining what may be required to proceed, we are respectfully asking that this request be reviewed and further investigated. We are hopeful to work with township to address our concerns and ensure a safe winter road in our subdivision for permanent and the occasional winter user.

Sincerely,

Duch

Per Paul Heastont

5BCA President.

2017-11-15.b	Township of East Zorra-Tavistock – Council Resolution
Moved by:	
	November 15, 2017
Seconded by: SMH	Bookley # 3

WHEREAS municipal governments in Ontario do not have the right to approve landfill projects in their communities, but have authority for making decisions on all other types of development;

Resolution #

AND WHEREAS this out-dated policy allows private landfill operators to consult with local residents and municipal Councils, but essentially ignore them;

AND WHEREAS proposed Ontario legislation (Bill 139) will grant municipalities additional authority and autonomy to make decisions for their communities;

AND WHEREAS municipalities already have exclusive rights for approving casinos and nuclear waste facilities within their communities, AND FURTHER that the province has recognized the value of municipal approval for the siting of power generation facilities;

AND WHEREAS the recent report from Ontario's Environmental Commissioner has found that Ontario has a garbage problem, particularly from Industrial, Commercial and Institutional (ICI) waste generated within the City of Toronto, where diversion rates are as low as 15%;

AND UNLESS significant efforts are made to increase recycling and diversion rates, a new home for this Toronto garbage will need to be found, as landfill space is filling up quickly;

AND WHEREAS municipalities across Ontario are quietly being identified and targeted as potential landfill sites for future Toronto garbage by private landfill operators;

AND WHEREAS other communities should not be forced to take Toronto waste, as landfills can contaminate local watersheds, air quality, dramatically increase heavy truck traffic on community roads, and reduce the quality of life for local residents:

AND WHEREAS municipalities should be considered experts in waste management, as they are responsible for this within their own communities, and often have decades' worth of in-house expertise in managing waste, recycling, and diversion programs;

AND WHEREAS municipalities should have the exclusive right to approve or reject these projects, and assess whether the potential economic benefits are of sufficient value to offset any negative impacts and environmental concerns;

THEREFORE BE IT RESOLVED THAT the Township of East Zorra – Tavistock calls upon the Government of Ontario, and all political parties, to formally grant municipalities the authority to approve landfill projects in or adjacent to their communities, prior to June 2018;

AND THAT in the case of a two-tier municipality, the approval be required at both the upper-tier and affected lower-tier municipalities;

AND FURTHER THAT the Township of East Zorra – Tavistock encourage all other municipalities in Ontario to consider this motion calling for immediate provincial action.

November 16th, 2017

Kathleen Wynne, Premier Legislative Building Queen's Park Toronto, ON M7A 1A1

To the Honourable Kathleen Wynne,

Please be advised that the Council for the Corporation of the Municipality of St.-Charles at its meeting held on November 15th, 2017 passed the following resolution number 2017-308.

WHEREAS the Municipality of St.-Charles maintains a motivated and well-functioning volunteer fire department; and

WHEREAS changes proposed to on-call provisions in the Employment Standards Act by Bill 148 will result in exorbitant tax increases to maintain fire prevention services in a rural municipality; and

WHEREAS many Ontario municipalities will be unable to maintain fire services if this change is enacted; and

WHEREAS the Association of Municipalities of Ontario has submitted a position paper to the Ontario government specifically requesting the exemption of all municipal volunteer firefighters;

NOW THEREFORE Council for the Corporation of the Municipality of St.-Charles requests that all municipal employees be specifically exempted from the on-call changes proposed by Bill 148; and

THAT Council for the Corporation of the Municipality of St.-Charles request that the government of Ontario conduct a full economic impact study of Bill 148 to study the effect of the Bill on businesses and municipalities across Ontario; and

THAT this motion be circulated to Premier Kathleen Wynne, Minister of Labour Kevin Daniel Flynn, the Association of Municipalities of Ontario and all Ontario municipalities, and Local MPP John Vanthof.

Hoping this is satisfactory.

Sincerely,

MacNeill Joanne MacNeill Acting Clerk

Cc: Minister of Labour Kevin Daniel Flynn

Association of Municipalities of Ontario

All Ontario municipalities

Local MPP John Vanthof
