Jay Bryant Road Allowance

Mr. Krasowski:

This email will serve as confirmation that the Township has no objection to you crossing the road allowance as you have requested. This permission is based on you having the permission of the landowners along Eastview Lane and the other private property.

We trust that this is satisfactory.

RE: -East view Lane Road Extension.

Dear Township,

I Richard Krasowski would like to ask council for permission to cross over the Jay Bryant Road 66 foot road allowance to access my property. I have been given permission to extend East view lane road to the Jay Bryant Road by the private camp owners. Only awaiting your decision to do so.

Sincerely,
Biologo Knowsky

Dear Mr. Hobbs,

Highway 6 Little Current Swing Bridge Study (GWP 5268-14-00)

Study Update

Stantec Consulting Ltd. has been retained by the Ontario Ministry of Transportation (MTO) to undertake a Planning, Preliminary Design and Class Environmental Assessment (Class EA) Study for the Highway 6 Little Current Swing Bridge located in the Town of Northeastern Manitoulin and the Islands in Northeastern Ontario. The purpose of this study is to identify a Recommended Plan that addresses current and future transportation needs at the bridge crossing. This letter has been prepared to provide you with an update on the Highway 6 Little Current Swing Bridge Study.

To date, two Public Information Centres (PICs) have been held for the study. The second PIC was held on July 17, 2019, and provided stakeholders, Indigenous communities, and the public with an opportunity to review the assessment of Alternatives to the Undertaking, the preliminary design alternatives, the proposed evaluation criteria and evaluation process, and to address questions or concerns directly with representatives of the project team.

Following the second PIC, the project team has been reviewing input from stakeholders, Indigenous communities, and the public, and is in the process of evaluating alternative design concepts. To support the evaluation process, archaeological and geotechnical field investigations will be undertaken this summer. This will include in-water and on-land geotechnical testing to determine the conditions of the subsurface and bedrock materials at the site, and Stage 2 land archaeological assessment at the north and south sides of the channel.

Study Update

Due to the COVID-19 pandemic, the third and final PIC has been delayed; however, it is anticipated that a preliminary preferred plan will be presented publicly in fall/winter 2020. The project team has been and will continue to evaluate the feasibility of in-person presentations for PIC 3; however, the team may seek to present the materials online depending on physical distancing requirements at that time. Additional information regarding PIC 3 will be provided as it becomes available. Consultation via letters, email, telephone, and the project website will continue throughout the study and the project website, www.swingbridgestudy.ca, will continue to provide project information and updates.

If you have further questions about the study, including the upcoming presentation or summer field investigations, please contact the undersigned.

The Corporation of the Township of Assiginack

And

The Corporation of the Municipality of Killarney

And

The Corporation of the Township of Tehkummah

The following Terms of Reference and conditions pertain to the management of a collaborative project between the three partners to support an Economic Development Officer in the three municipalities.

AUTHORITY

The Township of Assiginack, as the funding applicant and supplier of the local contribution to the project, will oversee the administration of this project.

SCOPE

The purpose of hiring an Economic Development Officer is to provide support for local businesses and municipalities and organizations through workshops, mentorships and training.

Creation of a database of businesses and economic development opportunities available.

Research into specific opportunities for business development and barriers and paths to growth.

A communication network to share regional successes, opportunities and project results.

GOVERNING COMMITTEE

Each Municipality will appoint one member to a governing committee that will review and assist the Economic Development Officer in achieving the identified and agreed upon goals.

The members will select a Chair and will arrange to record Minutes and reports to all members and municipalities.

The Committee shall determine the frequency, schedule and location of meetings.

There shall be at least six meetings per year. Reports from the EDO and financial statements will be reviewed at each meeting. FedNor and Lambac will be notified and invited to send representatives to all meetings.

All municipalities must be represented at a meeting.

RESPONSIBILITIES

The Committee will:

Establish, review and approve projected policies and procedures, including an equitable shared schedule of the EDO's services amongst the three (3) municipalities.

Develop, review and revise project implementation strategies

Monitor overall progress towards goals

Monitor performance in relation to the project work plan and take corrective action as needed

Adjust the spending plan as needed for budget control

Respond appropriately to information, concerns and issues that are brought to its attention

Oversee the evaluation of the project and prepare a final report.

FUND MANAGEMENT

Assiginack will receive and manage project funds. Regular financial reports will be circulated to member municipalities.

Each municipality will be responsible to provide financial support for projects and proposals within its jurisdiction

HUMAN RESOURCES

The Economic Development Officer will be an employee of the Township of Assiginack. As such, reimbursement for all travel, meals, accommodation expenses will follow the Assiginack policies in place at the time. Assiginack will forward a copy of these policies to the other municipalities.

OPTING OUT

A municipality may opt out of this agreement by serving the other two municipalities written notice 90 days prior to the effective date of leaving this agreement.

AMENDMENTS

The Committee may amend these terms of reference by consensus.
