## 2024 Operating Budget Overview General Government Mayor & Council

### **Program Description:**

This section provides a financial overview of the costs associated with the Mayor's Office and all elected officials. Such costs include council remuneration, expenses for conferences and training, mileage, costs for office supplies associated with council package preparation, and various public relations costs, (i.e., donations, gifts, street banners and various promotional products such as pens, pins, etc.)

### **Existing Service Levels:**

This is the costs associated with the decision-making body for the Corporation of the Township of Assiginack as legislated and as also determined by Council's Remuneration By-law and Expense Policies.

### **Major Budget Changes from Previous Year:**

- No major changes

## 2024 Operating Budget Overview General Government Administrator's/Clerk's Office

### **Program Description:**

- The Administrator oversees the effective and efficient implementation of programs and services for the Township of Assiginack in accordance with council direction (through the oversight of all departments) and as outlined in legislation.
- The Clerk provides secretariat services for Council and administrative support to Committees of Council.
- The Treasurer deals with the ongoing daily functions of finance and accounting, including working with staff and council on the preparation, presentation and management of the municipalities budget
- Maintains corporate records system, and vital statistics for the municipality
- Ensures compliance with various legislations; including livestock valuations, fence viewing, elections, privacy, etc.
- Administrative support services including courier, mail and reception at Municipal Office

#### **Existing Service Levels:**

- Staff attend all Council meetings with the preparation of agendas, minutes and other duties as legislated
- Administrative support resources for Committees of Council
- Provide support to all staff of the municipality, including advice on legislation and by-law development
- Issue marriage licenses and perform ceremonies
- Maintain cemetery records

### **Major Budget Changes from Previous Year:**

- Staff salaries are adjusted as per Employment policy
- We have added a transfer to Contingency reserves of \$11,000 for this year

# 2024 Operating Budget Review General Government Project and Events Co-ordinator (PEC) Program

### **Program Description:**

- The Project and Events Co-ordinator is responsible to Schedule and co-ordinate community and public events, conferences, and services for the Municipality and with its approval, for community organizations.
- In addition, researches, applies for, and administers funding applications for the benefit of community organizations and for facilities used by these organizations.
- Co-ordinates and oversees the use of summer students by the Municipality.
- Works with all elements of the community to attract business and investment to the Municipality.
- Maintains Municipalities website, blog, Facebook, and Twitter accounts

#### **Existing Service Levels:**

- No change in service levels from the previous year.

### 2024 Operating Budget Overview School Board

The Municipality collects Education Taxes on behalf of the School Board at tax rates legislated by the Province. These taxes are in turn submitted to the appropriate school boards (i.e. English Public or French Public), as designated by the property owners chosen school support, net of any supplemental and/or write-offs received throughout the year.

## 2024 Operating Budget Overview Protection Services Fire Department

### **Program Description:**

- Fire protection services for the Township of Assiginack are provided by the Assiginack Volunteer Fire Department
- Salaries include honorariums for the Fire Chief, Deputy Fire Chief and Two Captains, as well as the Firefighters.
- Firefighters attend regular practices and training sessions; participate in Fire Prevention activities throughout the year at various events and at the local elementary school, in addition to Fire Protection services.

### **Existing Service Levels:**

- Provide Fire Protection to residents of Assiginack
- Ensure the departments adherence to legislations
- Fire Prevention

### **Major Budget Changes from Previous Year:**

No major changes

## 2024 Operating Budget Overview Protection Services Police Services

### **Program Description:**

The Ontario Provincial Police (OPP) is the provider of policing services throughout the Township of Assiginack.

### **Existing Service Levels:**

Service is provided on cost-recovery basis. The municipality is invoiced on a monthly basis based on the estimated costs for the year, with the amounts reconciled with actual costs, semi-annually.

### **Major Budget Changes from Previous Year:**

The projected policing costs for 2024 reflect an decrease of \$5,532 from 2023.

### 2023 Operating Budget Overview Protection Services

### **Protective Inspection & Control:**

- The Ontario Wildlife Damage Compensation Program and the related administrative costs for the Livestock Valuer with approved eligible costs recovered via the above program from the Province of Ontario.

### **Canine Control:**

Canine Control is provided on a contract basis by our Animal Control Officer, who enforces
the Canine Control by-law. Municipal dog tags are issued by the Township, as required by
the by-law, and must be renewed on an annual basis, with the small fee charged, going back
to the Canine Control Budget.

### **Building Department:**

- Regulates though the issuance of building permits and regular inspections, the safety, construction and demolition of properties to comply with the Ontario Building Code
- Provides building information statistics to interested parties (i.e. MPAC)

## 2024 Operating Budget Overview Transportation Services Public Works

### **Program Description:**

- The Public Works Department is responsible for the Summer and Winter Maintenance of over 100 km of road, in accordance with our Minimum Maintenance Standards Policy, including plowing, sanding, grading, patching, ditching, brushing, etc.
- Maintenance of Public Works Vehicles
- Grass cutting at various municipal properties
- Staffing and maintenance of the Bay Street Marina and Waterfront area during the summer months, with the aid of Summer Students
- Provides oversight to the Waste Diversion Site and staffing as required

### **Existing Service Levels:**

- Public Works Department is managed by a Public Works Superintendent, who is responsible to the CAO and council, and is staffed by Four Full-time employees. The Marina is staffed in the summer by a Seasonal Staff member with help from students
- Vehicle fleet includes two (2) Snow plow/Dump trucks, one (1) Dump truck, grader, loader, backhoe, one (1) one-tonne truck, and one (1) half-tonne truck, as well as other miscellaneous small equipment

#### **Major Budget Changes from Previous Year:**

Last year, we began to do a larger chunk of Surface Treatment once every three years, but spread
the cost over the three years. This year we have allowed for a \$200,000 transfer to reserves to
go towards future Surface Treatment costs.

Also included in this section is the levy paid to the Manitoulin East Municipal Airport Commission which is responsible for the management of the jointly owned municipal airport with representation from both the Township of Assiginack and the Town of Northeastern Manitoulin and the Islands. At this time, the levy for 2024 has not been received, but we have allowed for up to a 3% increase.

56

## 2024 Operating Budget Overview Environmental Services Waste Management

### **Program Description:**

- The Township of Assiginack operates one (1) Landfill/Waste Diversion Site. We currently operate a recycling program which is quite comprehensive and is capable of diverting a large percentage of household waste from our landfill. We offer the recycling of plastics, glass, paper, and cardboard, as well as composting, and the collection of metals. We do not accept hazardous materials at our site, but a Hazardous Waste Collection Day is offered in conjunction with neighbouring municipalities once a year where these items can be properly disposed of.

### **Existing Service Levels:**

- The township continues to focus on our recycling program and is currently working toward implementing the requirements of our new Certificate of Approval for an expanded site.

### Major Budget Changes from Previous year:

- The main change is an increase to the budget line for Outside Services

## 2024 Operating Budget Overview Environmental Services Water and Wastewater

#### **Program Description:**

The Township of Assiginack owns one (1) water treatment and one (1) wastewater treatment facility for the Town of Manitowaning, which services approximately 260 users. The Township also owns one (1) water treatment facility for the subdivision of Sunsite Estates which services 64 lots. All facilities are operated by the Ontario Clean Water Agency (OCWA) on behalf of the municipality under a ten-year contract beginning in 2018.

### **Existing Service Levels:**

- To provide clean, potable water to the residents of the Town of Manitowaning and the subdivision of Sunsite Estates
- Water and Wastewater is funded by a separate user rate funded budget

#### **Major Changes from Previous Year:**

- OCWA has identified some items that need to be addressed in the coming year and these items have been taken into consideration while budgeting for Equipment Repairs, etc

65

### 2024 Operating Budget Overview Health Services

### **Cemetery:**

The Township of Assiginack owns and operates Hilly Grove Cemetery. The Hilly Grove Cemetery Board has representation from the Townships of Assiginack and the Township of Tehkummah. The two municipalities, as well as Central Manitoulin are apportioned a levy towards the operation of the cemetery. This section of the budget includes Assiginack's annual levy towards the operating costs of the Hilly Grove Cemetery. This year we have budgeted \$8000 for the cemetery levy. The Township also has a small number of "Inactive" cemeteries, and there is a small budget line, to help provide for grass cutting at these sites.

#### **Land Ambulance:**

Ambulance services for the Township of Assiginack are provided by the Manitoulin-Sudbury District Services Board. The municipality is billed on a monthly basis based on budget estimates and our percentage of the municipal weighted assessment for the serviced areas. This year's apportionment for land ambulance is \$265,355 which is in an increase of \$7,614 or approximately 3%.

#### **Medical Building:**

The Township of Assiginack owns the building which houses the Manitowaning Family Health Team. We have provided for a small annual budget for repairs, as well as a transfer to reserves to prepare for any larger future repairs which might arise.

### 2024 Operating Budget Overview Social/Family Services

### **District Social Services Administration Board:**

Social Housing, Ontario Works Program, as well as Child Care Programs, are also provided to the Township of Assiginack by the Manitoulin-Sudbury District Services Board. The municipality is billed on a monthly basis, based on budget estimates and our percentage of the total weighted assessment for the service areas. This year's apportionment is \$145,200, an increase of \$4,959 or approximately 4%.

### **Manitoulin Centennial Manor**

The Manitoulin Centennial Manor is a Municipal Home for the Aged, which is supported by the municipalities of Manitoulin and District. The municipality is billed on a quarterly basis, based on a budget estimates. This year's requisition is \$45,887.33 which is up by approximately 2% from last year's operating estimates.

### 2024 Operating Budget Overview Recreation & Cultural Services

### **Summer Program:**

This section includes the cost of swimming instructor and the required program supplies.

#### Arena:

The Assiginack Arena is home to Minor Hockey, Figure Skating, as well as Men's and Ladies' Hockey. The Arena Manager/PEC takes care of bookings for ice time during the winter, as well as various rentals throughout the year for events such as Lions Summerfest, Rodeo, Manitowaning Fall Fair, and the Whitetail Deer Show. A Lead Hand, as well as an assistant is hired on a seasonal basis, and is responsible for preparation of the ice surface and its maintenance throughout the season, as well as building maintenance. This year's budget includes once again a transfer to reserve, to help cover any unexpected future equipment repairs, etc, as well the regular budgeted amounts for the maintenance of the arena.

#### Parks:

The Township of Assiginack has several park areas, including High Falls, McLean's Park and the Sucker Lake Boat Launch area. The grass cutting and garbage pickup for these areas in contracted out.

#### Heritage:

The Assiginack Museum is owned by the Township of Assiginack and is given an annual levy towards it operation. The museum is staffed by the Museum Curator, a Summer Student and volunteers.

### **Information Booth:**

The information booth on Highway 6 is owned and maintained by the municipality.

### **Library Board:**

The Assiginack Public Library is staffed by our Librarian year-round. The municipality budgets an annual Library Levy to aid them in covering their staffing, book purchases, etc.

### 2024 Operating Budget Overview Planning & Development

The Manitoulin Planning Board is the body which handles all zoning by-law amendments, planning issues, and severance applications for the Manitoulin Island. Each member municipality shares in the operational costs of the board, which is billed to the municipality in two installments.

We are also currently working on updating our zoning by-law and the costs associated with this process are also included in this section to be funded by a transfer from reserve.

The township also employs an Economic Development Officer and this section contains all wages and benefits for this position

### **2024 Capital Budget Overview**

This section contains the capital projects planned for the Township of Assiginack over the 2024 taxation year, broken down by department.

#### **General Government:**

This section contains the finance payments for the renovation of the new municipal building.

We have included a budget line for \$50,000 to go towards Engineering requirements that may arise during the budget year.

### **Transportation Services:**

New Plow Truck – A new plow truck was ordered last year, likely to be delivered later this year. At this time, the full purchase price is budgeted to come from reserves with a repayment plan to be setup over 5 years.

Birch Street Surface Treatment – \$120,000 has been included for Surface Treatment on Birch Street. A portion of this is to be covered by the remaining budget from last year's surface treatment with the balance of approximately \$23,500 to be covered from this years budget.

#### **Environmental Services:**

Water Treatment Plant Capital Loan Payments – This includes the portion of the new water treatment plants which was not covered by the grants. The users of the plant each pay a portion, including the municipality for the municipally owned properties.

A portion of this year's OCIF allocation will be used toward capital improvements required at the Manitowaning and Sunsite Water Treatment Plants.

Force main Repayments – The new force main which was completed in 2012 was partially covered by grants. Our portion of the project was financed from our reserves, to be repaid over 15 years.

Landfill Expansion – Costs anticipated for the expansion of the current landfill site for the current year, to be offset by our AMO Gas Tax allocation.

#### **Health Services:**

A columbarium was ordered last year for the cemetery, to be delivered this spring/early summer. We had budgeted \$35,000 in last year's budget, so the additional cost of approximately \$10,000 will need to be covered by this years budget.

### **Recreation Services:**

Norisle Removal Repayments – The costs for the removal of the Norisle are to be repaid to the bank at a cost of approximately \$74,000/year.

Arena Project – This includes loan repayments for our portion of the arena expansion done a number of years ago, as well as repayments to reserves for the cost of the new arena roof done in 2013.

There are still projects underway at the arena and fairgrounds under an ICIP grant this includes the cost of renovating the backend of the arena for a fitness centre. All but \$122,000 is covered by either grants or reserves. The \$122,000 has been proposed to be taken from reserves as well, however, it is to be repaid over a proposed five year term.

Arena Equipment - Reserve transfers for the future replacement of the brine pump and the chiller have been started with this years budget.

The township has secured a grant through OTF for fitness equipment and track and field equipment for the arena/fairgrounds.

The fencing for High Falls is to be completed in the current year from last year's budgeted amount of \$50,000 which had been transferred to reserves at the end of last year.
